THULASI R

B.Sc Computer Science

About Me

I'm a **Data Analyst** Results-driven Data Analyst with expertise in Artificial Intelligence (AI) and Machine Learning (ML). Passionate about leveraging data to drive actionable insights and solve complex business problems. Actively participated in numerous seminars and events to stay updated with the latest trends in data science and technology. Seeking to pursue an MBA to elevate my career and contribute to high-level decision-making in top-tier organizations. I'm dedicated to staying up to date with the latest trends and innovations in the cyber security landscape. I'm also committed to helping others learn more about the importance of online security and how to stay safe online..
